

Your employees administration at predictable cost

You simply have to give us the monthly entries and exits and the worked hours for employees on hourly base. We do the rest. So you have more time for your customers and your family.

Employee administration

- Recording the Data of all employees.
- Monthly salary statements for each employee.
- You pay the net salary we calculated for you.
- Calculation and billing of state taxes deducted at source.
- Annual declaration of all social insurances.
- Annual salary statement for each employee.
- You receive a monthly book-keeping voucher from us.

Your investment

Other quantities on request.

For the last month of the financial year, the monthly cost double.
All our mandates can be canceled at any time. Put us to the test!

Every service can also be billed based on time spent (usually considerably cheaper).
