- Advice and registration for third party liability insurance.
- Advice and registration for fixed assets insurance.

Web domain names

Registration of your web domain name.

Value added tax

- Advice on optimal structure for VAT.
- Registration VAT administration.

Your investment

company	cost (ex VAT)
Articles of incorporation and enrollement for commercial register (limited liability company or corporation) exclusively	999
One-man company ready for start of operations	2'500
Limited liability company ready for start of operations	3'500
Corporation ready for start of operations	4'500

If we get any benefits or refunds from insurance companies, you get the full benefits. Third party cost for attesting notary, register of commerce (about CHF 1'500) and domain enrollment costs are not included.

Every service can also be billed based on time spent (usually considerably cheaper).
